MYTH
All the other kids drink alcohol. You need to drink to fit in.
FACT
Don't believe the hype: Most young people don't drink alcohol! Research shows that almost 80% of 12 to 20 year olds haven't had a drink in the past month.
MYTH
Drinking alcohol will make people like you.
FACT
There's nothing likeable about stumbling around, passing out, or puking on yourself. Drinking alcohol can also make your breath smell and cause you to gain weight.
